

# Nemo Extremo BOAT CART ASSEMBLY

## USING YOUR NEMO EXTREMO

Set the cart next to your boat. Pick up one end of the boat and place the boat on the cart near the center of the boat. Experiment with your boat to find the best spot to place the cart.

Secure the cart with the webbing strap as shown below.

Take apart and stow as needed after portage.

## ASSEMBLY

Foam pads have been placed on two cross bars to protect the hull of your boat. The third crossbar has no foam. It is the kick stand.

Slide the cross bar ends into ends of wheel assemblies. Snap buttons will pop out of the retaining holes when cross bars are properly seated. When both crossbars are firmly in wheel assemblies, pull the kickstand down.

## CARE

If the cart is used in or around salt water, rinse it off and dry it to help prevent corrosion.

Do not over tighten the straps when connecting the boat to the cart, this can damage your boat.

## CAUTION

Never tow a boat on this cart behind any power vehicle.

Do not carry and passengers in the cart while the cart is in use.
